“Let us remember that the University Club has been here since 1910. The culture of the Club may need to change with the times but the tradition and fellowship needs to carry on for future generations.” — President Jack Salter, August 2002

Many Club Members have previously provided for the Club's future in their estate plans and their generosity has helped create the experience you've enjoyed here.

At its February meeting, the Board accepted the Membership resignation of Pacific Retirement Services.

Southern Oregon Friends of Hospice

The Club's February speaker topic was the Southern Oregon Friends of Hospice which was represented by the organization's executive director, Susan Hearn, and board member, Dr. John Forsyth. The organization is in the process of converting the Harry and Eleanor Holmes home on Modoc Avenue into a 12-bed residential hospice facility. Forsyth spoke eloquently contrasting three different experiences he had over a 30 year period at patients' death beds and how lately developed hospice care had dramatically eased the comfort of their passing. The Friends of Hospice has undertaken converting the Holmes mansion to what will be the only residential facility of its type in southern Oregon.

The organization's mission is "to provide heartfelt, mindful care that adds to quality of life for terminally ill people of all faiths with individualized care for comfort with dignity, respect and support."

Their presentation was both greatly informative and appreciated by our Members.
